RACE FOR EDUCATION October 21, 2022

Dear Family and Friends,

On Friday, October 21, 2022, I will participate in *Race For Education*, at my school, Bedminster Elementary. I will walk/run around a ¼ mile track for 1 hour with my friends to raise money for my school. Please consider sponsoring me in this fun and important event!

This year, Bedminster Elementary's Parent Teacher Group will be hosting its Fifteenth annual ***Race for Education***. The funds raised from our Race for Education event pay for the cost of field trips, student assemblies, technology purchases, library enhancements and other educational, classroom and playground improvements. Funds are also used for social and family events such as our skate night, fall hayride, spring festival, school dances and much more. Without your generous contributions the PTG would not be able to provide these wonderful opportunities to our students.
